

FIGHT NIGHT COMBAT TOURNAMENT SCORE SHEET

Take a **group photo** of all the players and send it to luke@juggler.net

Play all qualification matches first to **3** points.
 Under 20 players: 1 group, everyone plays everyone else.
 Above 20 players: 2 groups, everyone in Group A plays everyone in Group B (don't play others in the same group).
 Sort players by qualification match wins.
 Tie breaks (higher is better):
 1. Points difference
 2. Total points won
 3. Head-to-head between tied players
 4. Current 52 Week Rankings (5th beats 6th)
 5. Highest Ever Rank
 6. Number of Tournaments Entered
 7. Coin Flip

Tournament name: _____

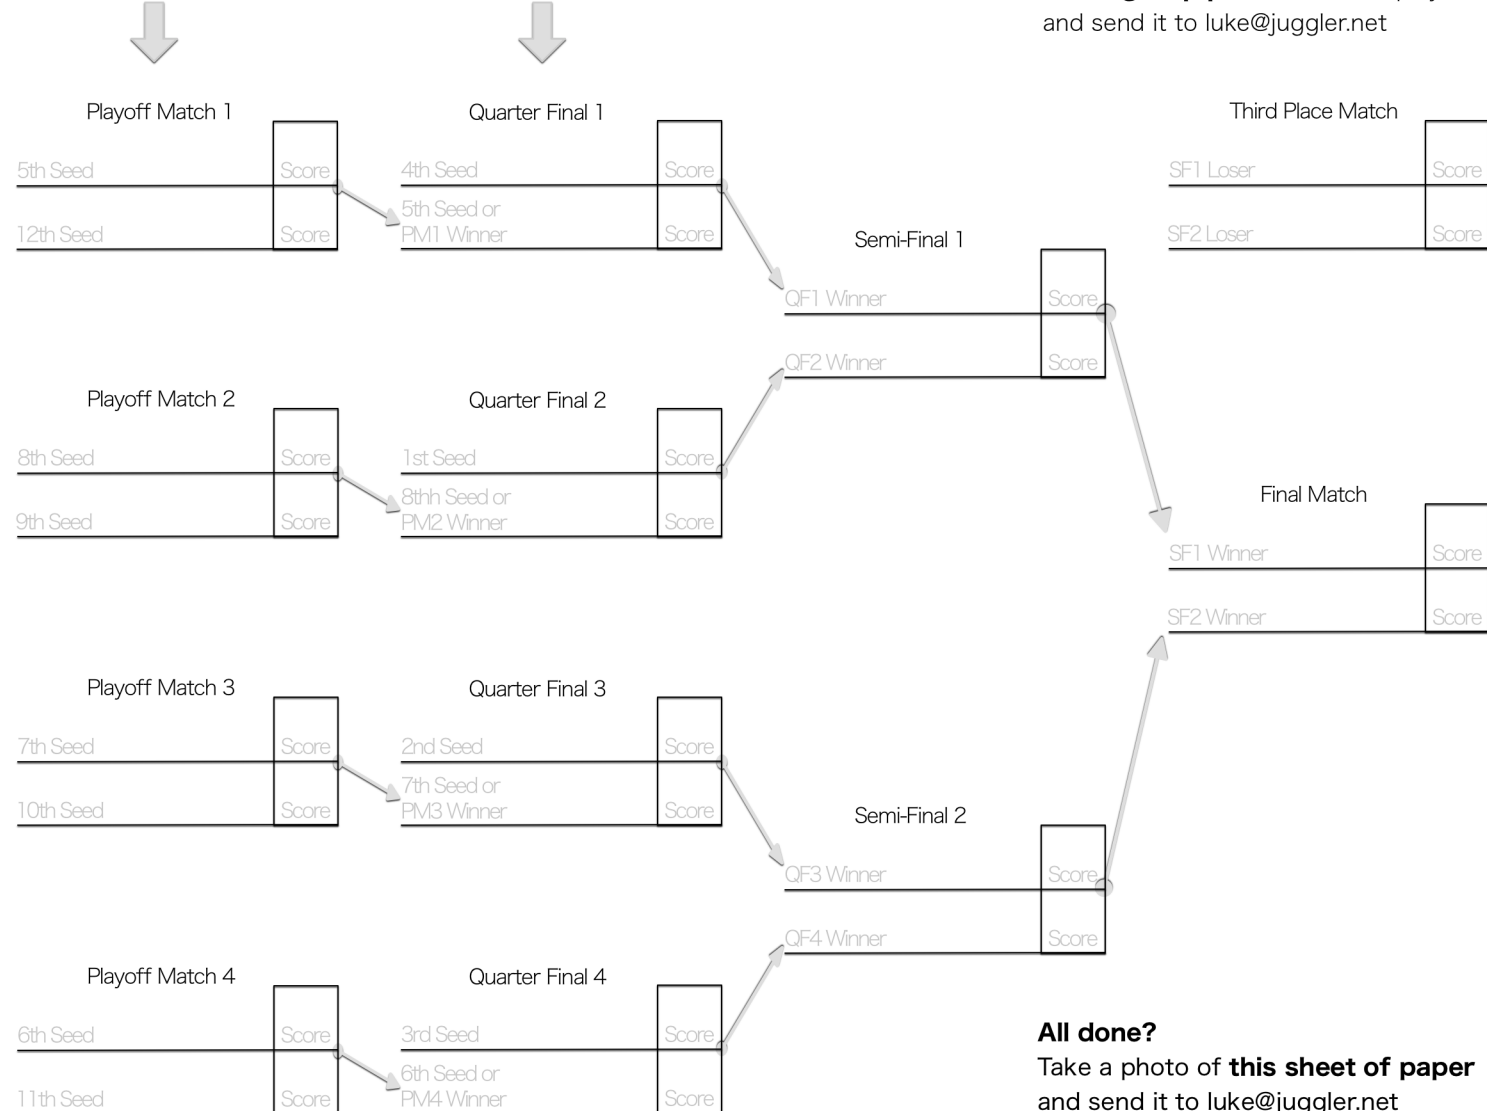

Play **all** knockout matches first to **5** points.

Playing to 5 points doesn't take much more time than to 3 points, as most time is wasted between points and matches. Keep things moving and it only takes about an hour to play 12 matches or about 45 minutes to play 8 matches

More than about 18 players?
 12 players go through to the knockout.

Fewer than about 18 players?
 8 players go through to the knockout.
